BayOne Solutions Inc.
STATEMENT OF WORK
BAYONE-SOW
Contract for Independent Contractor or Consultant Services
[BAYON-MAS-0013142]

This Statement of Work ("SOW") effective **Feb 1, 2026** ("Statement of Work Effective Date"), is by and between **Lam Research Corporation** ("Company") and **BayOne Solutions Inc.** ("Contractor") and made pursuant to that certain Contract for Independent Contractor or Consultant Services (BAYON-MAS-0013142), effective as of June 12, 2018 (the "Agreement"). Capitalized terms used herein without definition shall have the meanings ascribed to them in the Agreement.

1. Services to be Provided: Contractor shall render such services as may be necessary to complete in a professional manner the project described as follows:

GCS Data Lake and Architecture
Implement new customer requirements and features in our existing application.
Designs, develops, troubleshoots, and debugs software programs for enhancements and new products.
Develops software and tools in support of design, infrastructure, and technology platforms.
Determines hardware compatibility and/or influences hardware design.
Maintain existing code base and investigating problem areas.
Demonstrating solutions by providing documentation, flowcharts, and clear code
Work with cross functional teams throughout the organization

2. Acceptance Criteria:

Not applicable.

See immediately below:

Acceptance criteria shall be as set forth in Section 3 of the Agreement.

☐ Additional sheets attached.

3. Fee Schedule. This project will be implemented on a time and material basis and following are the hourly rate and estimated costs.

Role/Title	Quantity	Hours	Rate	Total Amount (Not to Exceed)
Data Engineer	1	320	$37/hr.	$11,840

BAYONE

4637 Chabot Dr., Suite 200
Pleasanton, CA 94588
Phone: +1 888 537 8068
Fax: +1 408 228 0753

Invoice schedule: Monthly

"Payment terms shall be subject to Section 4 of the MSA."

SOW Term: The period of performance of the Services shall commence on Feb 1, 2026 and end on Mar 31, 2026 ("SOW Term").

Total Amount (Not to Exceed): **$11,840.00**

(Company generally pays Contractors 30 days after Company receives and approves their invoice for completed work.)

4. Expenses: The above fees constitute Contractor's entire remuneration for the services under this SOW. Contractor will not be reimbursed for any expenses incurred in connection with this SOW absent prior written approval of Company. If a change in the scope of the work results in a material increase or decrease in the cost or time for completion of the services, the fees and schedule may, upon the mutual written agreement of the parties, be renegotiated. Any expenses that Company preapproves for reimbursement will only be reimbursed to the extent such expenses are reasonable and on the condition that Contractor complies with Company's policy for the submission and verification of such expenses, which is available on Company's travel intranet website. Contractor is responsible for obtaining the then-current version of such policy before submitting any request for reimbursement.

5. Equipment: Contractor will supply all its own equipment for this SOW, except for the following equipment which will be loaned to Contractor by Company for the duration of this SOW.

Equipment Type	Serial No.
_____	_____

No license or other right is hereby granted in or to this equipment, except the right to use it in performing the services. Contractor agrees to return the equipment in good condition to Company promptly after termination of the SOW and, if it fails to do so, will pay Company the full manufacturer's suggested retail price for the equipment.

6. Background Technology Disclosure: The following is a complete list of all Background Technology:
